Welcome to Marisol Health! We are here to provide you with authentic, individualized, comprehensive professional healthcare and supportive services through the support of our multi-disciplinary team (Counseling, Crisis Management, Resources & Resource Referrals). Regardless of your situation, faith, lifestyle or background, you can count on being treated with dignity and respect.

We commit to offering you medical solutions that respect your dignity, preserve your integrity, and work in cooperation with your body. This means that we do not offer contraception, sterilizations or abortion but rather promote and provide natural fertility awareness that is scientifically validated.

Our commitment to you:

Professional Healthcare

- ✓ You will always be seen by a medical/counseling professional.
- ✓ You will receive the highest quality of healthcare that is scientifically based & ethically sound.
- ✓ You will receive most services, including testing & treatment, onsite.
- ✓ You will have access to your patient information via our patient portal

Individualized Attention

- ✓ You will have a health & wellness plan based upon your unique needs.
- ✓ You will have the opportunity to ask questions & receive follow-up consultation.
- ✓ You will receive care and attention for all your needs, medical & social/emotional.

Affordable, Low-cost or No-cost services

- ✓ You will not be denied services based on your ability to pay and can receive assistance in navigating insurance.
- ✓ We strive to keep our services affordable.
- ✓ All of our social services are complimentary (no charge).
- ✓ Our Family Development Specialist can assist you with navigating any questions you may have during your visit.

Please immediately turn off any electronic devices with recording capabilities. This clinic and its representatives (paid and volunteer) do NOT consent to having any conversations recorded.

We are glad you came today. Thank you for the opportunity to serve you!
